- Introduction fee is charged for each debt that is placed for collection with us.
- In the UK, we will send a Letter before action (LBA) by email and will also comply with the pre-action protocol, where appropriate.
- Our debt collection service is charged on a ‘No collection, no fee commission’ basis. If we do not collect anything, you do not pay anything.
- We will charge Success Fee plus VAT (if applicable) of any sums paid towards the debt.
- Success Fee is calculated as a percentage on collected amounts towards the debt, applies on the principal amount collected on a debt after we have initiated our service for such debt, irrespective of who received such amounts or intervened in the collection of the debt.
- For debts that are overdue more than 180 days at the date of the placement of the debt for collection with us, 5% shall be added to the Success Fee percentages above. Whether the debt is more than 180 days overdue will be established by the due date of the oldest invoice issued to the debtor.
